

## Attachment x:

# Form for Selection of Transmission Analysis Identified Projects for Non Transmission Alternative Evaluation

Identity of the proposed upgrade (description or project number): \_\_\_\_\_

---

1.	Is the proposed project's cost expected to exceed \$2,000,000? ( <i>See note.</i> )	Yes.... <input type="checkbox"/>
	<i>If so, check "Yes" and continue to question 2; otherwise check "No" and discontinue the alternative analysis screening.</i>	No..... <input type="checkbox"/>
2.	Could elimination or deferral of all or part of the upgrade be accomplished through the use of non-transmission alternatives? ( <i>See note.</i> )	Yes.... <input type="checkbox"/>
	<i>If so, check "Yes" and continue to question 3; otherwise check "No" and discontinue the alternative analysis screening.</i>	No..... <input type="checkbox"/>
3.	Is the likely reduction in costs from the potential elimination or deferral of all or part of the upgrade greater than \$1,000,000? ( <i>See note.</i> )	Yes.... <input type="checkbox"/>
	<i>If so, check "Yes" proceed to define the scope and timing of the non-transmission alternative analysis; otherwise check "No" and discontinue the alternative analysis screening.</i>	No..... <input type="checkbox"/>
