

New England Consumer Liaison Group (CLG)  
**ELECTION NOTICE**  
for Election of the Coordinating Committee  
to be held at the Quarterly Meeting  
September 24, 2014  
DoubleTree Hotel, Westborough, Massachusetts

Dear Consumer Liaison Group Member:

This Notice is to reiterate an announcement made at the May 29, 2014 Quarterly Meeting that we will nominate and elect new members and/or re-elect current members of CLG's governing Coordinating Committee at the September 24, 2014 Quarterly Meeting to be held at the DoubleTree Hotel in Westborough, Massachusetts.

Anyone who has attended a CLG Quarterly Meeting in the past two (2) years is considered to be a CLG member. The Coordinating Committee is elected at a Quarterly Meeting every two (2) years for a two (2) year term. The committee elected in September will serve until September, 2016 or until the first possible election date thereafter.

Any CLG member who is an electricity end-user or directly represents ratepayers, is a member of a consumer organization or is a government consumer or ratepayer advocate is eligible to serve on the Coordinating Committee, it being understood that the focus of the CLG is on commercial, industrial and non-profit end-users. There shall be no more than four (4) members of the committee from any one New England state. Employees of ISO New England do not serve on the committee although they may be invited by the committee to participate in its meetings.

Any CLG member, including current committee members, may present themselves as candidates for election at the September 24 meeting. Any CLG member, including current committee members, may nominate another CLG member as a candidate for election.

The duties of a Coordinating Committee member are:

- to attend four (4) regular committee meetings a year – each held on the same day as a CLG Quarterly Meeting – and to participate in such special meetings (usually held via telephone) as may be called;
- to participate in formulating overall CLG policy and particular meeting programs in accordance with FERC Order 719 and the CLG by-laws;
- to offer feedback after CLG meetings, feedback to each draft CLG Newsletter and to participate in preparation of the Annual Report;

- to participate in such other activities conforming to Order 719 and the by-laws as may be requested by the committee, the Chair or the Chair's designee.

If you believe you qualify and are interested in being a candidate, please send either one of us a concise email or letter of interest and, if you wish, your resume by the deadline below. If you wish to nominate someone, please send either one of us an email or letter identifying that person and explaining why you believe he or she would be a productive member of the Coordinating Committee. A committee member or one of us will contact you to follow up on your expression of interest or nomination of another CLG member.

**ALL EXPRESSIONS OF INTEREST OR NOMINATIONS, WITH ANY SUPPORTING DOCUMENTS, MUST BE RECEIVED BY THE CLOSE OF BUSINESS ON MONDAY, JULY 21, 2014.**

**ALL COMMUNICATIONS MUST BE SENT ELECTRONICALLY. SUBMISSIONS RECEIVED AFTER THE DEADLINE OR NOT SENT ELECTRONICALLY WILL NOT BE CONSIDERED.**

If you have any questions, please feel free to contact us. Thank you.
