**Subject:** VSPC GT Subcommittee: draft agenda

For tomorrow's GT Subcommittee meeting, here's what we said about agenda:

- ✓ GMP update on Hinesburg
- ✓ GMP closer look at Danby project
- ✓ Review/check-in on GT process

The minutes from the last meeting are attached. For the process review discussion, I thought you might find it helpful to refer back to the process maps and related info we created a couple of years ago. Here are the links:
