Re: Deadline for Comments and Requests for Hearing on Proposed Changes to  
Memorandum of Understanding

Date: November 29, 2011

---

On November 22, 2011, Vermont Electric Power Company, Inc. and Vermont Transco LLC (together, "VELCO") filed a Petition with the Public Service Board ("Board") requesting approval of ten proposed changes to the Memorandum of Understanding ("MOU") that the Board approved in a June 20, 2007, Order in this Docket. VELCO represents that the proposed changes to the MOU are supported by the Vermont System Planning Committee, City of Burlington Electric Department, Town of Stowe Electric Department, Central Vermont Public Service Corporation, Green Mountain Power Corporation, Washington Electric Cooperative, Inc. and VEPP Inc. as SPEED Facilitator. VELCO requests that the Board establish a three-week comment period for the filing.

The Board's June 20 Order provides that:

The Board may make changes to the MOU upon reasonable notice to the parties and opportunity to request a hearing, with any such request for hearing to be treated pursuant to the "contested case" provisions of the Vermont Administrative Procedure Act.<sup>1</sup>

**Any comments and requests for hearing on VELCO's November 22 filing must be filed by December 13, 2011.**
