Re: Docket No. 7081

Dear Ms. Hudson:

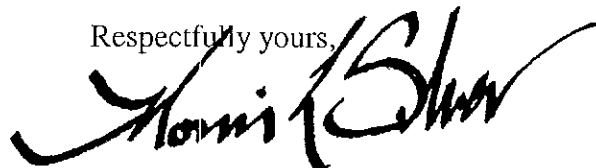

By memorandum dated June 23, 2008, the Public Service Board provided parties the opportunity to file comments or request a technical workshop on the Vermont System Planning Committee's (the "VSPC") June 19th submission of:

1. An Information Protocol;
2. A Non-Transmission Alternatives Screening Took;
3. A Project Priority List; and
4. Amended Rules of Procedure.

This letter will serve as Central Vermont Public Service Corporation's support for the VSPC submission. CVPS does not request a technical workshop or hearing regarding this submission.

Should you have any questions concerning this filing, please do not hesitate to contact me. In the meantime I remain,

Respectfully yours,

Morris L. Silver
Counsel for Central Vermont Public
Service Corporation
