

MEMORANDUM

To: Vermont System Planning Committee
Parties to PSB Docket No. 7081

From: Susan M. Hudson, Clerk of the Board

Re: Request for Comments on Candidates for Appointment to VSPC Public Positions

Date: March 26, 2013

The Vermont System Planning Committee ("VSPC") includes three public members appointed by the Public Service Board ("Board") to five-year terms. Each public member represents the interests of one of the following groups: electric residential consumers; electric commercial and industrial consumers; and environmental protection. The Board also appoints three alternate public members to increase the likelihood that representatives of residential, commercial and industrial, and environmental interests will be present at VSPC functions.

The initial terms of the three public members and three alternate public members of the Vermont System Planning Committee ("VSPC") have expired. The Board has advertised these openings and received seven letters of interest. These are attached.

The Board has asked me to inform you that it is providing the parties to Docket 7081 (the proceeding in which the VSPC was created) and the VSPC itself with an opportunity to comment on the candidates for the public member positions. Any comments should be filed with the Board on or before April 9, 2013.
