Dear Mr. Forward:

On behalf of the Vermont Public Utility Commission (“Commission”), I am pleased to designate you to serve as the alternate public member of the Vermont System Planning Committee (“VSPC”) representing the interest of commercial/industrial customers. As you may know, VSPC members serve five-year terms. Your term as a public member will expire on July 13, 2023.

The Commission greatly appreciates your willingness to serve on the VSPC. The Commission looks forward to your participation in the VSPC’s important role in helping plan for Vermont’s electric transmission system, including the full, fair, and timely consideration of cost-effective non-transmission alternatives.

You should be hearing shortly from the VSPC with details on its upcoming meetings. If you have any questions regarding the VSPC, you may wish to contact the VSPC’s Secretary, Deena Frankel, at (802) 488-4489 or dfrankel@velco.com.

Thank you again for agreeing to participate on the VSPC.

Sincerely,

A handwritten signature in blue ink, appearing to read "Anthony Z. Roisman".
