Susan Hudson, Clerk
Vermont Public Service Board
112 State Street
Montpelier, VT 05401

Dear Mrs. Hudson:

The purpose of this letter is to submit to the Public Service Board my resignation from the seat of public member representing an environmental organization on the Vermont System Planning Committee (VSPC). I have found that competing demands on my time have made it difficult to participate consistently in the VSPC. I would like to step aside to permit the appointment of a representative who can devote more time to this forum for public participation the transmission planning process.

I have appreciated the opportunity to serve in this position. This letter is submitted on behalf of myself and the Vermont Public Interest Research Group.

Sincerely,
James Moore
