Vermont Public Utility Commission

Dear Ms. Whitney:

On July 13, 2018, the Commission designated Taylor Newton to serve as a public member of the Vermont System Planning Committee (VSPC) representing the interests of towns and regional planning organizations. Mr. Newton's term is scheduled to expire on July 13, 2023. Recently, Mr. Newton transitioned employment from the Northwestern Regional Planning Commission to the Chittenden County Regional Planning Commission. In my role as VSPC Facilitator, I wanted to share this change with the Commission, even though Mr. Newton remains employed by a regional planning commission.

If the Commission has questions or requires further information, please contact me at slouiselle@velco.com or 802-770-6381.

Respectfully submitted,
